

Assisted Housing & Health Program

2021 YEAR-END IMPACT REPORT

ABOUT

Established in 1985, Catholic Charities Assisted Housing & Health helps low-income individuals living with HIV/AIDS in San Francisco stabilize their housing and access vital services such as case management, referrals to community support, and counseling.

Assisted Housing & Health collaborates with other San Francisco HIV service providers to ensure clients' medical, psychological, social, and vocational needs are met. These collaborations serve as a major link in the HIV continuum of care through education, counseling, medication stabilization, and support.

SERVICES

- Housing advocacy and support
- Full and partial rent subsidies
- Case management and vocational support
- Financial assistance for non-reimbursed medical expenses
- Information, resources, and referral for community support services

88%

have safe and
secure housing

COVID-19 had a significant impact on the number of clients we served during 2021 due to state and county shelter-in-place ordinances that temporarily closed some of our programs as we worked to keep our clients and employees as safe and healthy as possible.
