

# DEREK SILVA COMMUNITY

## 2019 YEAR-END IMPACT REPORT

### ABOUT

Catholic Charities Derek Silva Community is a low-cost, long-term housing facility with support services for people living with disabling HIV/AIDS. The program provides the security of permanent subsidized housing allowing residents to focus on their medical treatments without the threat of homelessness.

The program assists all residents to live with dignity and maintain a maximum level of self-sufficiency. Derek Silva Community provides on-site case management, information and referral advocacy, and direct assistance support. Residents may also receive crisis intervention and emotional support services.

Derek Silva Community serves as a major link in the HIV continuum of care through education, case management, and support. Housing is healthcare for our clients.
