

Treasure Island Supportive Housing

2021 YEAR-END IMPACT REPORT

ABOUT

Catholic Charities Treasure Island Supportive Housing promotes self-sufficiency and independence of formerly homeless families. Clients are supported through an array of services that assist families with the challenges of accessing and retaining safe, secure, and permanent housing and to achieve residential, economic, and personal stability. Permanent, subsidized supportive housing is provided to formerly homeless families where the head of household has one or more special needs that may include mental health challenges, disabling HIV/AIDS, or history of substance abuse.

Treasure Island Supportive Housing also collaborates with other organizations to provide community activities for children and families.

COVID-19 had a significant impact on the number of clients we served during 2021 due to state and county shelter-in-place ordinances that temporarily closed some of our programs as we worked to keep our clients and employees as safe and healthy as possible.
