WE BELIEVE

we provide homeless single mothers and their children with 24-hour shelter, food, and intensive case management services

they will improve their income, find stable housing and increase their self-sufficiency.

OUTPUTS

97 Adults and Children Served

160 Average Time Enrolled (Days)

2 Average Family Size

32 Average Age of Mother

OUTCOMES

100% clients improved or maintained their ability to set and accomplish goals

73% clients improved their financial stability

86% children maintained or improved their educational stability

These results are based on the self-sufficiency matrix assessment tool completed for the head of household.

The Need
Mothers and children are experiencing:
• Homelessness
• Poverty
• Inability to plan for future and use resources efficiently
• Poor child school attendance

Our Response
• 24-hour emergency shelter
• Healthy meals
• One-on-one goal setting support
• Vocational and educational support
• Money management

Client Outcomes
• Extend to stable housing
• Increased ability to budget and save
• Improved ability to achieve life goals
• Increased child school attendance

Community Impact
• Cycles of homelessness are broken
• Stronger school systems
• Critical public resources are available to meet other needs
