ABOUT

Catholic Charities CYO Athletics provides healthy growth and development opportunities for children through age-appropriate athletic competition, emphasizing leadership skill development, understanding team play, sharing the spotlight, displaying good sportsmanship, building healthy fitness habits, and respecting teammates and opponents. The program is designed to represent the Christian values of respect, love, compassion, and support for one another.

CYO Athletics' school-year and summer sports programs are offered throughout the Archdiocese of San Francisco providing youth with healthy out-of-school activities in a safe and supervised playing environment. Sports include basketball, volleyball, soccer, track and field, cross country, adult co-ed basketball, high school basketball and volleyball, and baseball. CYO Athletics works with the growing needs of the community to help youth develop healthy lives and futures. Many of our former players continue with the program, returning to coach and officiate.
