WE BELIEVE

we provide homeless women and families affected by chronic illness and homelessness with intensive case management services

THEN

they will remain housed and have improved physical health and economic stability.

OUTPUTS

203 Clients Served

3,832 Case Management Hours

7.25 Average Number of Years Client Stays with Program

40 Average Age

OUTCOMES

86% clients maintained or improved their housing stability

93% clients maintained or improved their physical health

98% clients maintained or improved their income stability

These results are based on the self-sufficiency matrix assessment tool completed for the head of household.

ABOUT

Catholic Charities Rita da Cascia Community provides unique intensive, coordinated intensive case management services for women and their children impacted by homelessness and chronic illness. Service recipients may also have substance abuse problems, mental health conditions and/or financial needs. Rita da Cascia provides intensive case management and wrap around services for families throughout San Francisco, including those living in the seven units at Rita da Cascia and the nine units at Catholic Charities Hazel Betsey Community.

Rita da Cascia is a designated Special Project of National Significance and serves as a major link in the Centers of Excellence collaboration continuum of care through education, counseling and treatment coordination.

The Need
Mothers and their children affected by HIV/AIDS are experiencing:
• Homelessness
• Poor health
