BAYVIEW ACCESS POINT HOUSING & IMMIGRATION SERVICES

Services and financial data for July 2017 through June 2018

ABOUT

In November 2017, Catholic Charities partnered with the San Francisco Department of Homelessness and Supportive Housing (HSH) to open Bayview Access Point.

Bayview Access staff assess families to determine eligibility for coordinated entry services, and perform housing problem-solving, which attempts to quickly resolve a family's housing crisis without the family entering the public shelter system.

A family who is unsuccessful with housing problem-solving will be further assessed to identify vulnerability and housing needs to prioritize housing for the neediest families. Access Point works collaboratively with HSH to ensure those with the highest needs are able to access shelter and appropriate housing interventions. The City's Online Navigation Entry (ONE) System automatically prioritizes families for housing based on their specific needs.

SERVICES

- Greet families, and screen and assess for eligibility
- Enroll eligible families in San Francisco Emergency Shelter/Housing Placement ONE (Online Navigation and Entry) System
- Provide referrals and linkage to services for ineligible families
- Provide childcare and children's activities to families while adults are meeting with staff
- Provide crisis and drop in services, facilitate shelter and housing placement
- Mobile outreach to increase utilization of Access Point
- Problem solve with families to divert from public shelter system
